David Hope Builders Ltd
9a Pierce Rd
Milford
North Shore City

Dear David

I would like to express my thanks for the great job you and your team have done in completing the extensions to our property in Remuera Rd. In particular we are delighted with the quality of the work, attention to detail, the high level of communication and the helpful way you dealt with issues that arose.

As an engineer I was also impressed by the level of appreciation that you showed on the critical design and construction elements of the project. You clearly take a high level of pride in your job and this is reflected in the excellent workmanship that you and your colleagues have provided.

I have greatly enjoyed working with you on this project and look forward to future opportunities to utilise your skills. I would be happy to recommend you to others seeking high quality residential structures.

Best wishes
